Prior Funding History / Additional Information:

Received \$1,350,000 in federal funding for FY 1999.

Received \$1,421,900 in Federal funding for FY2000.

Received \$1,615,440 in Federal funding for FY 2001.

Detailed Project Justification:

The Facilities provide a higher state of readiness to respond to Local and National emergencies and mission requirements. Operating costs are reduced as the new readiness centers are more energy efficient and require less maintenance. Economically, these projects provide economic activity when materials are purchased and construction labor is utilized.

Specific Spending Detail:

Project is bid out and construction materials are purchased and assembled by three separate construction contractors per year.
